

## Eco-committee Competition

The School Council are running a competition to elect a new eco-committee. The committee will have two members from classes 2,3,4, and 5.

We want YOU apply if you are interested in the environment and would like to help all the children at our school to be more eco-friendly. If you are chosen you will have special tasks to do about school , attend meetings and be given your own eco-committee badge.

Okay...it's time to get thinking....tell us in 25 words or less why you would make a good eco-committee member;
